Description of Programs	<p>Connecticut's Community Health Centers – were first established in the 1960s to meet the health needs of those with little, or no ability to pay for medical care. The Founders saw quality, personalized medical care as a right of all people and established a policy that no patient would be turned away. Since their inception Optimus Health Centers have evolved in number, size and scope of services, and are leaders in the delivery of quality care to Connecticut's Communities</p> <p>Optimus Health Care provides;</p> <ul style="list-style-type: none"> • Asthma Management • Homeless Health Care Management • Discounted Prescription Program • HIV Counseling and Testing
